

EDUCATE NEW MEXICO'S

VOICES FOR CHOICE

VOLUME 26 • ISSUE 1

LEADERSHIP CHANGES

Educate New Mexico is pleased to announce John A. Carey as the new President of Educate New Mexico. John is currently the President/CEO of the New Mexico Society of CPA's and former President of the Association of Commerce and Industry (ACI). John has been on the board for the last eight years and has served as the Secretary/Treasurer.

John replaces Bob Gallagher as President of Educate New Mexico. Bob is currently the President of the New Mexico Oil & Gas Association. "Bob has served Educate New Mexico with excellence during the past 10 years and we wish him well in all his current and future endeavors," said Daniel Ulibarri, Executive Director of Educate New Mexico.

DONOR IMPACT

Due to the economy and many foundations reducing the amount of their grants toward us we are still facing a financial challenge for 2010. Because of this fact the impact of your donation has become even greater. Each donation has a huge impact on our program and the kids that are helped.

Please note the impact of your donation has become even greater due to the generous offer from John Carey to become an anchor donor by paying part of the administrative costs of ENM. His generosity increases the percentage of each dollar you give going directly to a child's education. Thank you, John!

During Bob's tenure as President, Educate New Mexico provided partial scholarships to 1,587 different children with 142 schools and 37 cities participating statewide. ENM grew from giving scholarships to 234 initial students to 501 during his last year as President.

Sylvia Lyon, CEO of the Credit Union Association of New Mexico, replaces John Carey as the Secretary Treasurer. "We are pleased to add Sylvia as a resource and leader to the Educate New Mexico Board of Directors" said John Carey.

If you are interested in becoming an anchor donor by helping pay ENM's administrative costs please let us know by calling (505)797-4002 or email us at daniel@educatenm.org.
